INTERNATIONAL SCIENTIFIC AND PROFESSIONAL CONFERENCE ON WRESTLING

“Applicable Research in Wrestling”

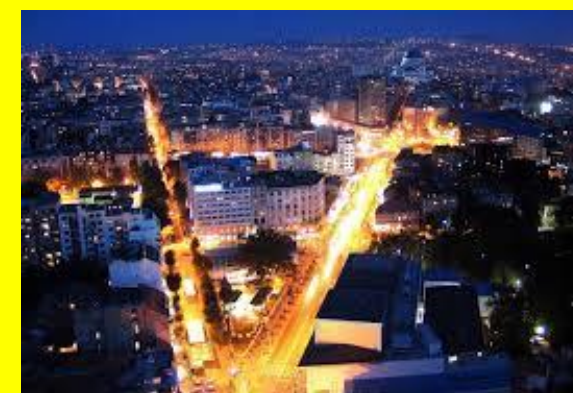

Novi Sad, Serbia
May 5-7, 2017

FIRST ANNOUNCEMENT

Organisers:

Faculty of Kinesiology University of Zagreb,
Croatia
and
Faculty of Sport and Physical Education,
University of Novi Sad, Serbia

Under the patronage of:

**WELCOME TO NOVI SAD, SERBIA
TO THE INTERNATIONAL
SCIENTIFIC AND
PROFESSIONAL CONFERENCE
ON WRESTLING**

Dear Friends and Colleagues,

On behalf of the organizers, the Faculty of Kinesiology, University of Zagreb, Croatia, and the Faculty of Sport and Physical Education, University of Novi Sad, Serbia, we announce with great pleasure the upcoming International Scientific and Professional Conference on Wrestling to be held in **Novi Sad, Serbia, on 5-7 May, 2017**, under the patronage of the International Network of Wrestling Researchers (INWR).

The Conference shall take place at the Faculty of Sport and Physical Education, University of Novi Sad (Lovćenska 16, Novi Sad 21000, Serbia) during the European Wrestling Championship (Seniors) which is also taking place in Novi Sad, Serbia on 2-7 May, 2017 (Sports Hall "Spens", Sutjeska 2, 21 000 Novi Sad) and which is only a 150-meter-walk from the location of the Conference.

The conference programme shall include oral and poster presentations, lectures and round table discussion.

As part of the social program, visits to the European Wrestling Championship will be organized in addition to other less formal events. Invited lectures and other presentations shall be given by key-note speakers and researchers in the field of wrestling.

AIM

The aim of this Conference is to provide the latest scientific and professional insights, findings and experiences which have an applicative value in wrestling. In addition, forming a communication network of wrestling researchers to communicate and share ideas, as well as to enable the distribution of the most up to date knowledge of training practices. The secondary goal of this Conference is also to discuss on scientific and professional solutions on relevant topics of scientists in wrestling, in addition to creating ideas for further improving wrestling science and practice in general.

PARTICIPANTS

From academicians, researchers, lecturers to practitioners, like athletes, coaches, physicians, PE teachers, physiotherapists, and others, as well as postgraduate students and experts from cognate and adjacent scientific fields from all over the world who are interested and involved in wrestling. Oral and poster presentations of the latest information are expected. Each author is free to take approach he/she wants within the scope of applicable research in wrestling.

Participants under the age of 33 will have the possibility of participating in The Award for Young Researchers

**Looking forward to welcoming you at
the Conference!**
